ABOUT US

Jayapriya Medical Foundation (JMF) is a non-profit organization that works to provide best-in-class and affordable eye care, accessible to rural areas spread across North Karnataka.

In 2002, Dr. Shrikrishna G. Nadgouda started JMF as a small initiative to enable vision care services to the impoverished and underserved sections of society. Over the years, the organization has evolved to reach out to more than one crore population primarily residing in rural areas of Northern Karnataka: Dharwad, Haveri, Belgaum, Gadag, Bagalkot and Koppal.

The organization so far conducted more than 1000 free medical camps, examined more than 10 Lakhs patients, performed more than 50,000 sight-saving cataract surgeries, distributed free medicines and gave other eye care services to more than 6 Lakhs people in underserved communities. All these surgeries have been performed at zero expense to patients.

JMF aims to set benchmarks in all aspects of ophthalmic care delivery to the patients and the public. Guidance is provided for all types of eye disorders and the services are reviewed regularly to keep them aligned with changing demands and technology.

We have been recognized under Section 80G of income tax, Section 12A of income Tax and FCRA Registration for receiving foreign funds. We have alliance with many organizations who relentlessly work towards eradicating blindness. We gladly welcome all individuals/ organizations who seek interest in working with us.

VISION

To be a centre of excellence in eye care, research, training, preventive medicine and to offer advanced, affordable, innovative and motivated total eye care services with the latest comprehensive technologies under one roof accessible to all strata of the society in a friendly and safe environment.

To provide and maintain customer focused high quality health care services in a professional environment. We are committed to achieve and maintain excellence in health care services.

MISSION

CORE VALUES

To render the highest quality of eye care services to patients of rural and urban communities. Continuous adoption of latest technology and best medical practice methods. Focus on establishing long term association with people, patients, employees and other stakeholders. Maintain transparency and risk management. Strong accountability In a flexible and streamlined.

Ophthalmic Institute KIRYU -Japan.
National Eye Institute - Singapore.
Shepherd Eye Institute, Santa Maria-California.

● **AREA OF EXPERTISE:**
Cataract and Refractive surgeries,
Glaucoma treatment, Squint and Oculoplastic surgeries.

- An extinguished ophthalmologist, Dr. Shrikrishna G Nadgouda comes with 35 years of expertise in varied field of ophthalmology. As a reputed Ophthalmologist of smart city Hubli – Dharwad, Dr. Nadgouda is regarded as messiah who since decades has helped restore vision of people.
- Laying the foundation steps in early 2000s, Dr. Nadgouda pioneered initial eye care camps in Dharwad dist. In a philanthropic effort to extend eye care facilities to rural population, he organized free medical camps including surgical treatments under JMF.
- As a professional, Dr. Shrikrishna Nadgouda has remarkably excelled in his 3-decade old career. His low-key and humble attitude speaks volume about his personality and will always continue to inspire people in years to come.
- 18 years later, our foundation has created milestones in city for bringing in advanced Eye care to people, providing eye care facilities to rural population at economic expense.

**“Throughout his life,
he envisioned to
protect
vision of people.”**

Dr. Ashwini Patil

EVENTS ORGANISED

- Free Glaucoma Screening Camp to commemorate World Sight Day.
- World Diabetes Day Free Comprehensive Diabetic Check-up camp organized in association with DBCS, Dharwad.
- Free Glaucoma screening camp to mark the celebration of World Glaucoma Week.

WALKATHON

World Health Day 2019 - Universal health coverage: everyone, everywhere.
“Health for All”

➤ To mark the World Health Day, Walkathon was organized by Jayapriya Medical Foundation in association with IMA - Hubli and Rotary Club of Hubli – West. Hundreds of participants made the event a huge success. Doctors, paramedics, social workers, well-wishers and enthusiastic citizens were a part of the program.

CAN FIN HOMES VEHICLE DONATION

➤ On December 5, 2019, Can Fin Homes Ltd supported JMF's initiative to provide rural primary healthcare to population residing in villages across the North Karnataka. Accordingly, Can Fin Homes Ltd donated a Tata Star Bus (16+1 seater) to be used for organizing medical camps and for to and fro transportation of patients selected for free cataract surgeries. We, at Jayapriya Medical Foundation heartily acknowledge the noble gesture of Can Fin Homes Ltd, Hubballi. It is patrons like them, whose enhanced support encourages us to work zealously towards our primary goal of “Affordable Eye Health to All”.

ACCOMPLISHMENTS

FUTURE VISION

- We at JMF are looking forward to brewing a success story not by simply accelerating the numbers but by being able to deliver economical and quality eye care to all untapped areas across Karnataka. Here is a glimpse into our initiatives for the future.
- Develop a Regional Learning and Training Center to commence various short and long-term training courses.
- Initiate qualitative, clinical and operational research on various eye care related issues.
- Developing Vision Centres across the districts of Dharwad, Gadag and Haveri district areas of Karnataka.
- To conduct more free school screening camps, diabetic retinopathy screening camps, free glaucoma screening camps, free peripheral screening programs and the likes in near future.

“Usefulness is the highest joy of one's life ”
