# ABOUT US

Jayapriya Medical Foundation (JMF) is a non-profit organization that works to provide best-in-class and affordable eye care, accessible to rural areas spread across North Karnataka.

In 2002, Dr. Shrikrishna G. Nadgouda started JMF as a small initiative to enable vision care services to the impoverished and underserved sections of society. Over the years, the organization has evolved to reach out to more than one crore population primarily residing in rural areas of Northern Karnataka: Dharwad, Haveri, Belgaum, Gadag, Bagalkot and Koppal.

The organization so far conducted more than 1000 free medical camps, examined more than 10 Lakhs patients, performed more than 60,000 sight-saving cataract surgeries, distributed free medicines and gave other eye care services to more than 6 Lakhs people in underserved communities. All these surgeries have been performed at zero expense to patients.

JMF aims to set benchmarks in all aspects of ophthalmic care delivery to the patients and the public. Guidance is provided for all types of eye disorders and the services are reviewed regularly to keep them aligned with changing demands and technology.

We have been recognized under Section 80G of income tax, Section 12A of income tax and FCRA Registration for receiving foreign funds. We have alliance with many organizations who relentlessly work towards eradicating blindness. We gladly welcome all individuals/ organizations who seek interest in working with us.

## VISION

- To be a centre of excellence in eye care, research, training, preventive medicine and to offer advanced, affordable, innovative and motivated total eye care services with the latest comprehensive technologies under one roof accessible to all strata of the society in a friendly and safe environment.

## MISSION

- To provide and maintain customer focused high quality health care services in a professional environment.
- We are committed to achieve and maintain excellence in health care services.

## CORE VALUES

- To render the highest quality of eye care services to patients of rural and urban communities.
- Continuous adoption of latest technology and best medical practice methods.
- Focus on establishing long term association with people, patients, employees and other stakeholders.
- Maintain transparency and risk management. Strong accountability In a flexible and streamlined.

**MBBS:** KIMS, HUBLI

**MS OPHTHAL:** JJMMC, DAVANGERE

**DOMS:** College of Physicians and Surgeons MUMBAI

**FELLOWSHIPS:** Ophthalmic Institute KIRYU -Japan.  
National Eye Institute - Singapore.  
Shepherd Eye Institute, Santa Maria-California.

**AREA OF EXPERTISE:** Cataract and Refractive surgeries,  
Glaucoma treatment, Squint and Oculoplastic surgeries.

An extinguished ophthalmologist, Dr. Shrikrishna G Nadgouda comes with 35 years of expertise in varied field of ophthalmology.

Laying the foundation steps in early 2000s, Dr. Nadgouda pioneered free medical camps including surgical treatments in Dharwad district in a philanthropic effort to extend eye care facilities to rural population.

As a professional, Dr. Shrikrishna Nadgouda has remarkably excelled in his 3-decade old career. His low-key and humble attitude speaks volume about his personality and will always continue to inspire people in years to come.

18 years later, our foundation has created milestones in city for bringing in advanced Eye care to people and providing eye care facilities to rural population at economic expense.

# Dreams Into Reality

In January 2021, Can Fin Homes Limited made a generous donation to Jayapriya Medical Foundation in the form of Zeiss Lumera 300 Standard XY operating microscope, with which every month, hundreds of needy patients from rural areas are getting operated free of cost. More than one thousand patients have been operated in just five months under this microscope.

## Mission Jyoti

Combat Blindness International (CBI) is a 35 year old organization based at Madison, Wisconsin, USA and works towards alleviating preventable blindness in some of the most impoverished regions of the world. 2020 was a blessed year for Jayapriya Medical Foundation (JMF) as CBI partnered with JMF in “Mission Jyoti” through which 1000 needy patients residing in rural North Karnataka got operated free for cataract. The project was a huge success which restored lost dignity and happiness in the life of all these patients.

## First Vision Center of Jayapriya Medical Foundation

In its attempt to expand its reach to the unreached, Jayapriya Medical Foundation opened its first Vision centre “Ankita Vision centre and Opticals” at Saunshi on 4th December, 2020. It is a permanent primary eye care facility which is now accessible to thousands of people residing in and around Saunshi of Kundagol taluk.

# UPGRADATION

Jayapriya Medical Foundation has started a separate new well equipped modern operation theater for free surgeries on camp patients.

# EVENTS ORGANISED

Free Glaucoma Screening Camp to commemorate World Sight Day.

World Diabetes Day Free Comprehensive Diabetic Check-up camp organized in association with DBCS, Dharwad.

Free Glaucoma screening camp to mark the celebration of World Glaucoma Week.

# ASSOCIATIONS & RECOGNITIONS
